The Cubans, a remarkably bright set of people, were not only surprised by the enterprising American cities, but were impressed by the magnificence and size of the buildings, being accustomed in their own country to seeing only one and two-story structures. Because of the opening of his school next week Mr. Hutchins was compelled to return home, but Miss Esther remained with her father, Major M. C. Hutchins, to take a trip to Porto Rico on the transport McPherson, of which Major Hutchins is Chief Quartermaster.

HERALD SQUARE OPERA CO.

It Delighted a Large Audience in a Pennsylvania City.

Reading Journal.

"Olivette," with its irresistible comedy and many bright musical numbers, well staged and richly costumed, completely captivated a very large and somewhat critical audience at the theater last night. The reputation which preceded this company of some twenty odd members was well sustained. The cast is one of great excellency, as evidenced by repeated and hearty encores, and is without doubt the strongest in opera that has ever appeared here. Miss Ella Stetson's "Patti Waltz" served to display a voice as sweet as a silver chime and of remarkably wide range. Harry Nelson, leading tenor, was heard to advantage in "Answered," a song introduced by request. In fact, the solos, duets, ensembles and the animated and concerted work of a well drilled and powerful chorus elicited hearty applause. The company has promised to return in the fall.

The above company of twenty-five artists will play at the Washington Opera-house two nights, commencing September 7th. They come direct from New York City. The Herald Square Opera Company is one of the best opera companies on the road this season. They present "Said Pasha" Friday night and "Olivette" Saturday night, September 7th and 8th. Seats now on sale.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Peacor.
